BRA BELEZA ZIL

RODIZIO

MENU

Rodizio is the signature dining ritual of Brazil, an immersive, curated experience where generosity, theatre and flavour come together.

We combine flair and finery for a dining experience like no other.
It's all-you-can-eat and you're in control of the flow of food. Use your double-sided block to be served traditional South American dishes and sumptuous meat skewers at your own pace.

THE GREEN SIDE of your block tells the passadores that you're ready to eat.
THE RED SIDE signals that you would like a rest.
