GROUP BOOKINGS.

Chapter is the ideal spot for holding your private event - we are super organized and super accessible.

Located on leafy Greenfield Crescent in the heart of Edgbaston Village, we have easy access to the city centre, good transport links such as train and tram, and ample pay and display parking.

We organise all types of group events, from corporate events such as breakfasts, lunches, & dinners to drinks receptions and product launches, and special family and friends celebrations.

While Chapter does not have a separate private dining room, our beautiful light-filled space lends itself to 3 key areas for private entertaining.
